ORDER

MATTER: 192

IN THE MATTER OF an application by Coach Atlantic Transportation Group Inc. for approval of Routes, Schedules and Fares for its inter-city scheduled services within the Province of New Brunswick.

October 7, 2026

Matter: 192

NEW BRUNSWICK ENERGY AND UTILITIES BOARD

IN THE MATTER OF an application by Coach Atlantic Transportation Group Inc. for approval of Routes, Schedules and Fares for its inter-city scheduled services within the Province of New Brunswick.

O R D E R

WHEREAS:

1. By Order dated April 8, 2013 in Matter 192 and as modified by subsequent Orders dated October 27, 2023 and December 12, 2025 in Matter 561, the Board established a fuel surcharge mechanism used to determine the quarterly fuel surcharge to be added to passenger fares for Coach Atlantic's inter-city motor coach service.

2. The average New York Harbour spot price for ultra-low sulphur diesel fuel (ULSD) for the period January 1, 2010 through June 30, 2010, or the "Base Price", was 59.3 cents per litre.

3. The average New York Harbour daily spot price for ULSD for the period July 1, 2026 through September 30, 2026, was 160.07 cents per litre, the federal fuel charge for ULSD is 0.0 cents per litre and the average cost of carbon / *Clean Fuel Regulations* compliance cost in the wholesale margin was 12.61 cents per litre, resulting in an average cost of ULSD of 172.68 cents per litre, which is an 113.38 cent per litre increase in the cost of ULSD over the Base Price.

4. The fuel surcharge methodology permits Coach Atlantic to assess a fuel surcharge to passenger fares of 0.5 % for each 2.5 cent incremental increase in the price of ULSD over the Base Price.

5. The fuel surcharge methodology results in a new fuel surcharge of 22.5%.

IT IS HEREBY ORDERED THAT:

1. Effective October 15, 2026, until further order of the Board, the fuel surcharge is set at 22.5% for all passenger fares for inter-city motor coach service provided by Coach Atlantic. The approved schedule of fares, incorporating the current surcharge, is attached as Schedule A.

Dated at the City of Saint John, New Brunswick, this 7th day of October 2026.

New Brunswick Energy and Utilities Board
